Research Luncheon — 12:00 – 1:15 PM • Salon E & F			
Join your colleagues for a networking luncheon			

MONDAY EVENING SPECIAL EVENTS

In Memory of Steve Banks 6:15 - ?	
Join your colleagues to share memories of the work and life of Steve Banks. In addition to a slideshow of important moments in Steve's life, we will offer a 15-minute film of Steve describing application of research methods. All are invited to attend and share special memories. <i>Hosted by the Research and Training Center for Children's Mental Health and the Center for Mental Health Services Research, UMASS Medical</i>	RM 9
Implementation Research Interest Group 6:15 - 7:15 PM	
Come meet and network with colleagues who are interested in the science and practice of implementation. Connect around research topics, measures of implementation, financing of implementation activities, policy issues, cultural and linguistic issues, disparities, and effective implementation strategies at the practice, program, and system level. <i>Hosted by the Child & Family Evidence-based Practices Consortium, a national community of practice</i>	E

TUESDAY AFTERNOON SPECIAL SESSIONS

Brown Bag Discussion: Research Collaborative for LGBT Youth and Families 12:00 - 1:30 PM

You are cordially invited to participate in an important first step toward the development of the Research Collaborative for LGBT Families and Youth. The overall outcome of the collaborative is to improve the access, appropriateness, availability and utilization of mental health and related services for lesbian, gay, bisexual, and transgender (LGBT) parents and their children and LGBT youth in need of such services. Bag lunches will be available for purchase prior to this session; stop by the information desk prior to 10:00 AM to order your lunch.
Panel: Lazear, Gamache, & Fisher

RM 10

Topical Discussion: Involving Community Stakeholders in Data Interpretation & Dissemination 1:30 - 2:30 PM

The purpose of this session is to share information and insight on the importance of and strategies for engaging and involving multiple stakeholders in the interpretation and dissemination of system of care evaluation data. As a result of this discussion, evaluators and community stakeholders, including families and youth, will learn how to collaborate together as partners for interpreting and disseminating evaluation data in the most meaningful way. Community panelists will share how they have successfully involved community partners in the interpretation and dissemination of data.
Panel: Bledsoe, Chapelle, Truxillo & Sanders
