## Transition to Adulthood: Services and Natural Supports Associated with Success

**Hewitt B. "Rusty" Clark**  
Chair, University of South Florida

**Nancy Koroloff**  
Discussant, Portland State University

National Network  
on Youth Transition  
for Behavioral Health  
NNYT

## NNYT Mission

- ❖ Improve outcomes for transition-age young people (14-29 years of age) with EBD.
- ❖ Through system development, program implementation, research, & dissemination.
- ❖ In collaboration with provider agencies, communities, states, and national/federal entities.

for Behavioral Health  
NNYT

## NNYT Mission

- ❖ NNYT also serves as the Purveyor of the:
  - ❖ Transition to Independence Process (TIP) model.
  - ❖ Many agencies and communities across the country are applying this evidence-supported model.
    - ❖ Full TIP model implementation to fidelity
    - ❖ Or TIP-oriented site.
- ❖ NNYT establishing TIP Purveyor Partners.
